Please remember, as parents you have the right and responsibility to evaluate and choose the most appropriate care provider for your child. Participating summer camps are not endorsements or recommendations of the programs or the providers, nor have they been screened, interviewed and/or approved by the subsidy administrator or your employer. The responsibility for selecting and employing a provider lies fully with you. It is strongly recommended that you verify information with the listed provider/s.

* Fees do not include 20% discount, which will be deducted when the discount voucher is submitted and verified by the participating camp of your choice.

** Only children ages 5-12 are eligible for the 20% discount off regular weekly tuition.
