

# TABLE OF CONTENTS

## UAW-DaimlerChrysler Technology Training

<i>Introduction</i> .....	1
<i>About This Catalog</i> .....	1
<i>Registration Procedure</i> .....	2
<i>Registration Materials</i> .....	2
<i>Questions Regarding Registration</i> .....	2
<i>Registration Cancellations</i> .....	3
<i>Travel &amp; Accommodations</i> .....	3
<i>Travel Cancellations</i> .....	3
<i>Skill Certification</i> .....	4
<i>College Credit</i> .....	4

## Apprenticeship Program..... 5

## Health & Safety Training ..... 6

## Production Worker Training

Job Setter Procedures (JSP 200).....	8
Overview of the Manufacturing Process (OMP 100).....	9
Measurement for Manufacturing (MGP 100).....	10
Metal Finishing (MFP 100).....	11
Welding Safety & Overview of Processes (WPP 100).....	12
MIG & Flux Cored Welding for Production Workers (WSP 100).....	13
Painted Metal Dent Repair (MDP 200).....	14
Production Weld Inspection (WQP 200).....	15

## Skilled Trades: Applied Industrial Technology

CATIA V5 Fundamentals (CAT 101).....	17
Electrical Controls & Schematics (EST 100).....	18
Mechanical Schematics (MST 100).....	19
Geometric Dimensioning & Tolerancing for Manufacturing (GDT 100).....	20
Die Making Technology (MDT 100).....	21
Fundamentals of Metallurgy (WLT 200).....	22
Advanced Metallurgy-Heat Treating (WLT 300).....	23

## Skilled Trades: Industrial Automation

CNC Setup & Operation for Mills (CNT 120).....	25
ProtoTrak Mill Programming & Operation (CNT 130).....	26
Allen-Bradley ControlLogix Processor Family Using RSLogix 5000 Software (BAT 175).....	27
Troubleshooting Allen-Bradley ControlNet (CRT 300).....	28
Troubleshooting Allen-Bradley DeviceNet (DNT 300).....	29
Allen-Bradley PanelView 1400e (BAT 310).....	30
RS Logix 5 Software for Allen-Bradley SLC 500 (BAT 320).....	31

RS Logix 5 Software for Allen-Bradley PLC-5 (BAT 330) .....	32
Allen-Bradley PLC-5 Processor Family/RS Logix Software (BAT 335) .....	33
Allen-Bradley 1394 Motion Control Operations & Maintenance (BAT 410).....	34
In-Plant Control Systems Troubleshooting (BAT 420) .....	35
Robotics: ABB S4C/C+ Programming Level 1 (BBT 100) .....	36
Robotics: ABB S4C/C+ Electrical Maintenance & Troubleshooting Level 2 (BBT 200) .....	37
Robotics: ABB M2000A, IRB 6600 S4C/C C+ Electrical Maintenance & DCX Programming Standards Level 2 (BBT 250) .....	38
Robotics: Fanuc RJ2-RJ3 Operation & Programming (FRT 300) .....	39
Robotics: Fanuc RJ2-RJ3 Electrical Maintenance & Troubleshooting (FRT 350) .....	40
Robotics: Nachi Operation/Programming for the AR 11/ AR 52 Controllers (RNT 320).....	41
Robotics: Nachi Operation/Programming for the AW11 Controller (RNT 330) .....	42
Robotics: Nachi AR 52 Electrical Maintenance (RNT 360) .....	43
Robotics: Nachi AW 11 Electrical Maintenance (RNT 375) .....	44
Introduction to Telemecanique (TMT 100) .....	45
Advanced Telemecanique (TMT 200) .....	46

## **Skilled Trades: Industrial Maintenance**

Troubleshooting AC Motors (ACT 100) .....	48
Refrigerant Transition & Recovery Certification (AIT 100).....	49
Industrial Air Logic (ALT 101) .....	50
Industrial Bearing Predictive Maintenance (BMT 100) .....	51
Industrial Conduit Installation (ICT 200) .....	52
Electrical/Electronic Fundamentals (IET 105).....	53
Grounding & Bonding (IET 210) .....	54
Transformers & Feeders (IET 215).....	55
Fiber Optic & Copper Communications Cabling 1 (FOT 110) .....	56
Fiber Optic & Copper Communications Cabling 2 (FOT 310) .....	57
Fiber Optic & Copper Communications Cabling 3 (FOT 400) .....	58
Fire Systems Training (FST 100) .....	59
Industrial Gear Box Repair (GRT 300) .....	60
Industrial Hydraulics Technology (HDT 100).....	61
Advanced Industrial Hydraulics Technology (HDT 300) .....	62
Laser Alignment (LZT 100) .....	63
Laser Leveling (LAT 100).....	64
Lubrication Systems (LST 100).....	65
Industrial Pneumatic Technology (IPT 200) .....	66
Pump Repair (PRT 100).....	67
Rebuilding & Repacking Steam Valves & Traps (SVT 200).....	68
Industrial Rigging (IMT 300).....	69
Thermography (THT 200).....	70
Introduction to Airborne Ultrasound (UST 100).....	71

**Skilled Trades: Welding**

*About the Welding Training Lab* .....73  
*About the Welding Courses*.....73  
Welding Safety & Overview of Processes (WPT 100).....74  
Welding Aluminum Alloys (WAT 200).....75  
Basic Stick Welding (SMAW) (WBT 200) .....76  
Welding Cast Iron (WIT 300) .....77  
Gas Metal Arc (MIG) Welding Process (WET 200) .....78  
Gas Tungsten Arc (TIG) Welding Process (WVT 200) .....79  
Pipe & Tube Welding (WXT 200) ..... 80-81  
Troubleshooting Robotic & Automatic Welding Systems (WWT 200).....82  
Structural Steel Welding (WTT 200) .....83  
Advanced Structural Steel Welding (WTT 300) .....84  
Welding Tool & Die Steels (WDT 200) .....85  
Qualification/Certification of... (WQT 400-WQT 407) ..... 86-87

**Salaried Bargaining Unit Training**

CATIA V5 Fundamentals (CAS 101) .....89  
CATIA V5 for Engineers & Designers Level 1 (CAS 100).....90  
CATIA V5 for Engineers & Designers Level 2 (CAS 200).....91

**Index** ..... 92  
**Metro Detroit Map**..... 95  
**Warren Area Map**..... 96  
**TTC Area Map** ..... 97
