**TO THE TTC TRAINING PARTICIPANT**

This booklet is for you. It is a complete resource to help you plan for your scheduled training session at the UAW-DaimlerChrysler Technology Training Center (TTC).

Inside, you will find important information about the TTC, travel, arrival, accommodations, and registration. Once you get to the TTC, staff members will be available to answer questions.

Both the UAW and DaimlerChrysler want to make your training at the TTC productive and beneficial for you, the union, and the company. We believe that you will find your training session to be a positive learning experience that provides you with the skills and information you need on the job.

**THE  
TECHNOLOGY TRAINING PROGRAM  
MISSION STATEMENT**

*To achieve for the UAW and DaimlerChrysler the goal of developing and sustaining a world-class technically skilled work force through constant training and upgrading of skills using the latest state-of-the-art technologies.*
